Rolling Hills with nature's beauty wherever you look. Hidden Valley has a new challenge at each hole. Sand Traps and water holes help to keep your attention on you golfing adventure. Whether you are a scratch golfer and a novice golfer Hidden Valley has a lot to offer.

Hidden Valley Golf Course features one of those holes "golfers love to hate". Not only is there the water, but it's an uphill shot to the green. To finish it off, the green as a good back-to-front slope all its own. A challenge for any golfer and a unique finish.

Our driving range is a good way to start your experience and hone your skills for the upcoming play or just to come out a work on a technique you are changing or correcting. If you need warming up before an event we offer a good deal for the event golfers.

We are equipped to handle many outings and events under our covered pavilions. We offer a variety of menus with sides to choose from. We can accommodate up to 150 golfers for food with beverage.
